

## ***New London Barn Playhouse Groups/Bus Information:***

Thank you for visiting us at the New London Barn Playhouse. We look forward to having you. In order to make your visit as convenient as possible, we ask you to please read the following information regarding the drop off and pick up instructions for buses and group visits to the Playhouse.

For the safety and comfort of all of our guests and audience members, we ask all groups to be dropped off **NO LATER THAN 25 MINUTES BEFORE THE START OF THE PERFORMANCE.** (*The house opens 30 minutes before show time*). Please temporarily park buses and/or large vans to drop off audience members on Williams Street, the road that leads to the Playhouse parking lot and runs parallel with the theater. Buses can pull over to the side of the road to drop off audience members and allow them to access the porch stairs and ramps for entrance into the theater. Please use the Barn parking lot to turn around and pull the bus or van over on right-hand side of Williams Street (on the Barn side). The stairs to the porch will be immediately accessible with ramps accessible at the front of the porch.

Immediately following drop off, we ask all buses and large vans to park at the Kearsage Elementary School for the duration of the performance. The Kearsage School is just minutes away from the Playhouse, at a distance of .4 miles, located at 114 Cougar Court, New London.

**From the Playhouse on 84 Main Street**, take a right out of the top of Williams Street, passing the front of the theater on your right side, turning onto Main Street. Follow Main Street until you reach the second flashing light. The Tracy Memorial Library will be on the right-hand side with the Lake Sunapee Bank on the left. At the flashing yellow light, just before the bank, turn left onto Pleasant Street and then take your first left onto Gould Street. At the split before the school, bear left. You will see the large school parking lot on the left and can park in that lot through the duration of the performance. Please note that once you arrive at the Middle School, there is one-way traffic onto school grounds. Follow the buses signage and maintain slow speeds within the school area.

When **returning to the Barn** for pick up, please turn left out of the parking lot, follow the road and stay left until you see Main Street crossing in front of you. Turn right onto Main Street and the Barn will be on your left. You can repeat the same procedure for pick up on the right-hand side of Williams Street, next to the theater.

We look forward to seeing you! **For any additional questions or concerns, please call us at our main offices: (603) 526-6710.** See you on the porch!
